NOTES:

1. In view of the massive outbreak of the COVID-19 pandemic, social distancing is a norm to be followed and pursuant to the Circular No. 14/2020 dated April 08, 2020, Circular No.17/2020 dated April 13, 2020 issued by the Ministry of Corporate Affairs followed by Circular No. 20/2020 dated May 05, 2020 and Circular No. 02/2021 dated January 13, 2021 physical attendance of the Members to the EGM/AGM venue is not required and annual general meeting (AGM) be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing EGM/AGM through VC/OAVM. In compliance with the provisions of the Companies Act, 2013 (“Act”), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”) and MCA Circulars, the 17th AGM of the Company is being held through VC / OAVM.
2. Pursuant to the Circular No. 14/2020 dated April 08, 2020, issued by the Ministry of Corporate Affairs, the facility to appoint proxy to attend and cast vote for the members is not available for this EGM/AGM. Since this AGM is being held pursuant to the MCA Circulars through VC/OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
3. The Members can join the EGM/AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the EGM/AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more

- shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the EGM/AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the EGM/AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
 5. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended) and the Circulars issued by the Ministry of Corporate Affairs dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the EGM/AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-voting system as well as venue voting on the date of the EGM/AGM will be provided by NSDL.
 6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020 and SEBI Circular dated May 12, 2020 and January 15, 2021, Notice of the AGM along with the Annual Report 2020-21 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/ Depositories. Notice of the AGM along with the Annual Report 2020-21 can also be accessed from the websites of the Stock Exchanges i.e. Bombay Stock Exchange of India Limited at www.bseindia.com or Website of company www.a1acid.com.
 7. EGM/AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 08, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020 and MCA Circular No. 2/2021 dated January 13, 2021.
 8. The relevant details pursuant to regulation 36(3) of the SEBI Listing Regulations and Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India, in respect of Director seeking re-appointment at this AGM is annexed with the notice.
 9. Institutional / Corporate Shareholders (i.e. other than individuals / HUF, NRI, etc.) are required to send a scanned copy (PDF/JPG Format) of its Board or governing body Resolution/Authorization etc., authorizing its representative to attend the AGM through VC / OAVM on its behalf and to vote through remote e-voting. The said Resolution/Authorization shall be sent to the Scrutinizer by email through its registered email address to csdharapatel@gmail.com (Scrutinizer), cs@a1acid.com(Company) and with a copy marked to evoting@nsdl.co.in.

10. Members are requested to intimate changes, if any, pertaining to their name, postal address, email address, telephone/ mobile numbers, Permanent Account Number (PAN), mandates, nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code, etc., to their Depository Participant in case the shares are held by them in electronic form.
11. As per the provisions of Section 72 of the Act, the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. The said form can be downloaded from the Company's website www.a1acid.com. Members are requested to submit the said details to their Depository Participant in case the shares are held by them in electronic form.
12. In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM.
13. With a view to serving the Members better and for administrative convenience, an attempt would be made to consolidate multiple folios. Members who hold shares in identical names and in the same order of names in more than one folio are requested to write to the Company to consolidate their holdings in one folio.
14. Members desirous for any information or queries on accounts / financial statements or relating thereto are requested to send their queries at least seven days in advance to the Company at its registered office address to enable the Company to collect the relevant information and answer them in the Meeting.
15. To support the 'Green Initiative', Members who have not yet registered their email addresses are requested to register the same with their DPs in case the shares are held by them in electronic form.
16. Pursuant to the provisions of Section 91 of the Companies Act, 2013 the Register of Members and Share Transfer Books of the Company will remain close from Saturday, 31st July, 2021 to Friday, 6th August, 2021 (both days inclusive) in connection with the Annual General Meeting.
17. The Company or its Registrars and Transfer Agents, Cameo Corporate Services Limited cannot act on any request received directly from the Members holding shares in electronic form for any change of bank particulars or bank mandates. Such changes are to be advised only to the Depository Participants.
18. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to the Depository Participants with whom they maintain their demat accounts.

19. Members joining the meeting through VC, who have not already cast their vote by means of remote e-voting, shall be able to exercise their right to vote through e-voting at the AGM. The Members who have cast their vote by remote e-voting prior to the AGM may also join the AGM through VC but shall not be entitled to cast their vote again.
20. Non-Resident Members: Non Resident Indian Members are requested to inform Registrar and Transfer Agents, immediately of:
- a. Change in their residential status on return to India for permanent settlement
 - b. Particulars of their bank account maintained in India with complete name, branch, account type, account number, IFSC Code, MICR No. and address of the bank, if not furnished earlier
21. The Company has fixed Friday, 30th July, 2021, as the cut-off date/entitlement date for identifying the Shareholders for determining the eligibility to vote in the Meeting.
22. Ms. Dhara Patel, Company Secretary in Practice (M. No: 29198, COP No.:10979) has been appointed as a Scrutinizer to scrutinize the voting and process for the Annual General Meeting in a fair and transparent manner.
23. The Explanatory Statement, pursuant to section 102 of the companies Act, 2013 setting out facts concerning the business under Item no.3, 4, 5 and 6 attached with the notice.
24. All documents referred to in the notice and other statutory registers shall be available for inspection by the Members at the registered office of the Company during office hours on all working days between 11.00 a.m. and 4.00 p.m. on all days except Saturdays, Sundays and public holidays, from the date hereof up to the date of the Meeting and at the venue of the Meeting for the duration of the Meeting.
25. Since the AGM will be held through VC / OAVM, the Route Map is not annexed in this Notice.

26. The Instructions for members for remote E-Voting are As under:-

The remote e-voting period begins on Tuesday, 3rd August, 2021, 2021 at 09:00 A.M. and ends on Thursday, 5th August, 2021 at 05:00 P.M. The remote e-voting module shall be disabled by NSDL for voting thereafter. The Members, whose names appear in the Register of Members / Beneficial Owners as on the record date (cut-off date) i.e. 30th July, 2021 may cast their vote electronically. MANAGEMENT DISCUSSION AND ANALYSIS REPORT

- **ECONOMIC OVERVIEW:**

- **Global Economy:** Financial year 2020-21 witnessed a synchronized slowdown in both the advanced as well as developing economies across the globe. While the trade activities remained weak overall, some green shoots of recovery had started to emerge towards the end of the year. However, the unexpected outbreak of Coronavirus (COVID-19) pandemic disrupted the socio-economic balance across the world. The response to avoid the spread of this pandemic was a multi-phased lockdown resulting in restricted movement of people, goods and services.
- **Indian Economy:** The Indian economy witnessed a cyclical slowdown owing to weak private consumption, sluggish manufacturing activities and muted investments. The Government of India announced various measures to revive the economy, with the Reserve Bank of India (RBI) complementing with an accommodative policy stance for most parts of the year. The Government also took significant steps such as corporate tax rate cut and easing of credit, particularly for the stressed real estate and financial sector. At the same time, measures taken to boost investment, particularly under the National Infrastructure Pipeline, presented green shoots for growth. However, the inopportune COVID-19 outbreak in March 2020, brought the entire nation to a standstill. The consequent nationwide lockdown impacted business activities in all the segments of the economy

- **CHEMICAL INDUSTRY OVERVIEW:** The world landscape of the chemical industry is rapidly changing. The western countries are losing their share due to high energy prices, labour cost, and currency appreciation. Thus, emerging countries like India and China are capitalizing on this, pushing the industry to the next stage through development in technology, innovation and trade. This trend is expected to continue in the future.

- **STRENGTHS AND CHALLENGES:**

STRENGTHS	CHALLENGES
A-1 ACID LTD. is one of the Largest Trader and Distributors of high quality Industrial Acids & Chemicals since more than Four and a half decade across India.	As the Indian Economy going through lot of turbulence, growth opportunities are bit contracted at this stage.
Experienced Management team.	Competition from local competitors who offer few products at lesser price;
Quality Assurance and Standards.	Material shortage/ undersupply and volatility in prices.
Cordial relationships with our suppliers.	

- **INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY:** The Company implemented suitable controls to ensure its operational, compliance and reporting objectives are achieved. The Company has adequate policies and procedures in place for its current size as well as the future growing needs. These policies and procedures play a pivotal role in the deployment of the internal controls. They are regularly reviewed to ensure both relevance and comprehensiveness, and compliance is ingrained into the management review process.

Adequacy of controls of the key processes is also being reviewed by the Internal Audit team. Suggestions to further strengthen the process are shared with the process owners and changes are suitably made. Significant findings, along with management response and status of action plans are also periodically shared with and reviewed by the Audit Committee. It ensures adequate internal financial control exist in design and operation.

- **SEGMENT REVIEW:** Our company deals in following products:

- **NITRIC ACID (HNO₃) ALL GRADE (18-40%, 61%, 68%, 72%)** It is also referred to as fuming nitric acid. Depending on the amount of nitrogen dioxide present, fuming nitric acid is further characterized as white fuming nitric acid or red fuming nitric acid, at concentrations above 95%.

- **HYDROCHLORIC ACID:** Hydrochloric acid is manufactured to food grade and industrial grade specifications. Food grade hydrochloric acid finds use in the production of food ingredients, food additives and in the sugar and brewery industries, while the industrial grade finds application in metal pickling, latex coagulation, dyestuffs, leather treatment, petroleum refining, galvanising and water treatment.

- **SULPHURIC ACID:** Sulphuric acid is a mineral acid with molecular formula H₂SO₄. It is a colorless, odorless, and syrupy liquid that is soluble in water, in a reaction that is highly exothermic. Its corrosiveness can be mainly ascribed to its strong acidic nature, and if concentrated its dehydrating and oxidizing properties. It is also hygroscopic, readily absorbing water vapour from the air. Sulphuric acid at even moderate concentrations is very dangerous upon

contact with skin.

The most common use of sulphuric acid (60% of total) is for fertilizer manufacture. It is also a central substance in the chemical industry. Principal uses include fertilizer manufacturing (and other mineral processing), oil refining, wastewater processing, and chemical synthesis. It has a wide range of end applications including in domestic acidic drain cleaners, as an electrolyte in lead-acid batteries and in various cleaning agents.

- **METHANOL:** Methanol is colorless, volatile, flammable, and poisonous. It is made from the destructive distillation of wood and is chiefly synthesized from carbon monoxide and hydrogen. Methanol is a polar liquid at room temperature. It is used as anti-freeze, solvent, fuel, and as a denaturant for ethanol.

- **ETHYL ACETATE:** This colorless liquid has a characteristic of sweet smell (similar to pear drops) and is used in glues, nail polish remover, decaffeinating tea and coffee, and cigarettes. Ethyl acetate is the ester of ethanol and acetic acid; it is manufactured on a large scale for use as a solvent.

- **FORMIC ACID:** Used as a coagulant for obtaining rubber from latex. As an auxiliary for declining and pickling of fur, fixing of dyes-in leather industry and in processing in textile industry. As an intermediate in manufacturing of basic drugs, plant protection agents, pesticides, vulcanisation accelerators, antioxidants and cleaning agents. Used in preservation of silage and grams. Used in electroplating and as a solvent as well.

- **CALCIUM CARBONATE:** Calcium Carbonate is a white, odourless powder or colourless crystals. Precipitated calcium carbonate (CAS: 471-34-1) is produced industrially by the decomposition of limestone to calcium oxide followed by subsequent recarbonization or as a by-product of the Solvay process (which is used to make sodium carbonate).

- **TECHNICAL GRADE UREA (TGU):** Technical Grade Urea is an organic compound. Urea serves an important role in the metabolism of nitrogen-containing compounds. Urea is widely used in fertilizers as a source of nitrogen and is an important raw material for the chemical industry. It is a colorless, odorless solid, highly soluble in water, urea is basically non-toxic. The human body uses urea in many processes, most notably nitrogen excretion.

- **ACETIC ACID:** Acetic Acid is used in textile industries for textile processing and printing. Acetic acid is one of the simplest carboxylic acids. It is an important chemical reagent and industrial chemical that

is used in the production of plastic soft drink bottles, photographic film; and polyvinyl acetate for wood glue, as well as many synthetic fibres and fabrics.

- **SODIUM HYPOCHLORITE:** Sodium hypochlorite is an excellent steriliser, oxidiser and decolouring agent. It is used to make disinfectants and a variety of pharmaceutical drugs. It is also widely used for water treatment.

In the process, sodium hypochlorite (NaClO) and sodium chloride (NaCl) are formed when chlorine is passed into cold dilute sodium hydroxide solution. The solution must be kept below $40\text{ }^\circ\text{C}$ (by cooling coils) to prevent the undesired formation of sodium chlorate.

- **OLEUM:** Oleum is a cloudy, gray, fuming, oily, corrosive liquid, with a sharp, penetrating odor. Its composition is that of H_2SO_4 with dissolved SO_3 .

- **FORMALDEHYDE & PARAFORMAL DEHYDE:** Formaldehyde-based resins are used for making particle boards, medium density fireboard, plywood, cabinets, laminated countertops and insulation. Throughout the chemical industry and in the production of textile binders and paints.

- **CAUSTIC SODA LYE/ FLAKES:** Caustic soda is also known as lye or sodium hydroxide and is widely used in alumina refineries and in the manufacture of soaps and detergents, viscose fibre production and zeolite. It is also a raw material for a large number of chemicals used in the paper, textiles, dyes, refinery and other industries. Considered to be the most common base in chemical laboratories, caustic soda also finds use in the production of food additives.

- **HF-60%:** Hydrofluoric (HF) acid is used mainly for industrial purposes (e.g. glass etching, metal cleaning, electronics manufacturing). HF acid also may be found in home rust removers. HF solutions are particularly used in the glass industry (frosting, staining), in crystal activities (defrosting) and in ceramics activities. Also, in metallurgical field, these grades are used in surface treatment, cast-iron-steel and stainless steels cleaning. HF solutions are also used in other more general applications such as the separation of rare earth, or utilized as a catalyst.

Our HR Department ensures competent and committed team engaged in building a culture of learning to achieve excellence in performance and employee satisfaction by enhancing their skills through Training & Development Programs for innovation & continual improvement of the employees. At A-1 Acid, we lay a lot of emphasis on transparent and open two-way communication between the management and the employee.

- OUTLOOK:** The outlook for the global economy 2021 looked hopeful after the outbreak of Covid-19. It unleashed an unexpected blow through lockdown, by clogging off the demand and disrupting supply chain worldwide. This led the Government all around the world to announce stimulus packages to revive business, strengthen public health safety and security. The gradual lifting of lockdown will slowly allow reopening of the economy and force major economies to re-think about their raw material procurement strategy which was highly dependent on single source.

Major challenges remain for the Indian chemical companies. The chemical industry is highly fragmented with intense rivalry among companies. Because 100 percent FDI is allowed, domestic players can face stiff competition from foreign multinationals that have the ability to exert strong price pressures on local markets. Huge capital requirements, patent protection, R&D costs and personnel requirements present other challenges.

But for every challenge there is an equal if not greater opportunity. The fact remains that the center of gravity for the global chemical industry is moving to the East and Indian chemical companies are well-positioned to take advantage of this transition.

Our company is focusing on cost reduction measures as well as to improve processes to enhance customer satisfaction which will have a long term benefit in helping our company to achieve its goals and scale new heights in the growth path. This will not only help us in providing product at better economical & competitive rate but will also give us an overall ace in the Industrial Chemical Sector. With good order book and customer support and the product variety in hand, we expect good growth in the whole year.

- RISKS AND CONCERNS:** Your Company had put a risk management framework in place post a comprehensive review of its risk management process. Your Company takes a fresh look at the risk management framework through our Audit Committee at least once in a year. The review involved understanding the existing risk management initiatives and assessment of risks in the businesses as the relative control measures and arriving at the desired counter measures keeping in mind the risk appetite of the organization. The audit Committee has periodically reviewed the risks in the business and recommended appropriate risk mitigating actions.

The business of the Company is likely to be affected by various internal and external risks enumerated as under:

- Our success depends largely upon the services of our Promoter, Directors and other key managerial personnel and our ability to attract and retain them.
- The prices we are able to obtain for the products that we trade depend largely on prevailing market prices.
- We face intense competition in our businesses, which may limit our growth and prospects.
- Global economic, political and social conditions may harm our ability to do business, increase our costs and negatively affect our stock price.
- Global recession and market conditions could cause our business to suffer.
- Natural calamities and changing weather conditions caused as a result of global warming could have a negative impact on the Indian economy and consequently impact our business and profitability.
- Tax rates applicable to Our Company may increase and may have an adverse impact on our business.
- Political instability or changes in the Government could adversely affect economic conditions in India generally and our business in particular. As a responsible employer, to ensure occupational safety and employment standards, your Company maintains strict safety and quality control programs to monitor and control these operational risks.

INDEPENDENT AUDITOR'S REPORT

To The Members of A-1 Acid Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of A-1 Acid Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2021, the Statement of Profit and Loss including the statement of other comprehensive income, the Statement of Cash Flows and the statement of Changes in Equity for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("IND AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2021, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified (SAs) under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Emphasis of matter

We draw attention to Note 35 to the Standalone Financial Statement, as regards the Board of Directors' evaluation of COVID-19 impact on the future performance of the Company. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr.	Key Audit Matter	Auditor's Response
	<p>Recoverability assessment of trade receivables: The Company has a net trade receivables of INR 3627 Lacs after providing for bad and doubtful debts of INR 123 Lacs as at 31st March, 2021.</p> <p>Trade receivables of the Company comprises mainly receivables in relation to the Company's (i) trading business regarding the sale of Acid and (ii) services rendered for Transportation.</p> <p>The increasing challenges over the economy and operating environment in the trading industry during the year have increased the risks of default on receivables from the Company's customers. In particular, in the event of insolvency of customers, the Company is exposed to potential risk of financial loss when the customers fail to meet their contractual obligations in accordance with the requirements Of the agreements.</p> <p>The recoverable amount was estimated by management based on their specific recoverability assessment on individual debtor with reference to the aging profile, historical payment pattern and the past record of default of the customer.</p> <p>Management would make provision based on the established model as well as specific provision against individual balances with reference to its recoverable amount.</p> <p>For the purpose of establishing provisioning model to make provision for bad and doubtful debts, significant judgments and assumptions, including the credit risks of customers, the timing and amount of realisation of these receivables, are required to be made.</p>	<p>Our response to the risk:</p> <p>We tested the design and operating effectiveness of key controls focusing on the following:</p> <ul style="list-style-type: none"> - Identification of loss events, including early warning and default warning indicators; - Assessment and approval of individual loss provisions; - Governance including model validation and the assessment of the suitability of models, appropriateness of assumptions, and approval of provisions; and Completeness and accuracy of data input into models and provision calculators. <p>We have performed the following procedures in relation to the recoverability of trade receivables:</p> <ul style="list-style-type: none"> • Tested the accuracy of aging of trade receivables at year end on a sample basis; • Obtained a list of outstanding receivables and identified any debtors with financial difficulty through discussion with management as well as conducting market research on the industry; • Assessed the recoverability of the unsettled receivables on a sample basis through our evaluation of management's assessment with reference to the credit profile of the customers, historical payment pattern of customers, publicly available information and latest correspondence with customers and to consider if any additional provision should be made; and • Tested subsequent settlement of trade receivables after the balance sheet date on a Sample basis if any, <p>For modeled provisions, we tested data inputs used for modeled provisions. We assessed the appropriateness of the models used.</p> <p>Were performed the provision calculations and compared our measurement outcome to that prepared by management and investigated any Differences arising.</p> <p>We assessed the appropriateness and presentation of disclosures against relevant accounting standards.</p>

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Directors' Report including Annexures to the Directors' Report but does not include the standalone financial statements and our auditor's report thereon. The other information is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the other Information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA 720 'The Auditor's responsibilities Relating to Other Information'.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards specified under section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually

or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with

them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

Annexure A to the Independent Auditors' Report

[Annexure referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report on financial statements for the year ended March 31, 2021 to the members of A-1 Acid Limited]

Report on Internal Financial Controls over Financial Reporting

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls over financial reporting of A-1 Acid Limited ("the Company") as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31,2021

1 CORPORATE INFORMATION

A-1 Acid Limited is a Limited company domiciled in India and incorporated under the Provisions of Companies Act, 1956. The company is engaged in the wholesale trading of Acid & Chemicals and also in transportation business. The Company was listed with BSE Limited on SME platform from October 10, 2018.

2 SIGNIFICANT ACCOUNTING POLICIES, KEY ACCOUNTING ESTIMATES AND JUDGEMENTS

(i) Basis of Accounting

a) Statement of Compliance

The Financial Statements have been prepared with all material aspect with Indian Accounting Standards (Ind As) notified under section 133 of the Companies Act, 2013 (the act) read with the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act.

The Financial Statements upto ended 31st March, 2019 were prepared in accordance with the generally accepted accounting principles in India (Indian GAAP) and accounting standards specified under section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules,2014.

These Financial Statements are the first Financial Statements of the Company under Ind As Ind As 101 - "First Time adoption of Indian Accounting Standards". The date of transition to Ind As is 1st April, 2019. Please refer Note No. 33 for an explanation of the transition from previous GAAP to Ind AS has affected the Company's Financial Positions, Financial Performance and Cash Flow.

b) Basis of Preparation

The financial statements have been prepared on accrual basis of accounting under historical cost convention in accordance with generally accepted accounting principles in India and the relevant provisions of the Companies Act, 2013 including Indian Accounting Standards notified there under, except where the fair valuation have been carried out in accordance with the requirements of respective IND AS.

The Operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle. Accordingly, all assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in Ind AS 1- 'Presentation of Financial Statements' and Schedule III to the Companies Act,2013.

(ii) Use of Estimates

The preparation and presentation of financial statements are in conformity with the Ind As which required management to make estimates and assumptions that affect the reported amounts of assets and liabilities (including contingent liabilities) on the date of the financial statements and the reported amount of revenues and expenses during the reporting year.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to the accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected. Management believes that the estimates used in the preparation of financial statements are prudent and reasonable. Future results could differ due to these estimates and differences between the actual results and estimates are recognized in the year in which the results are known / materialized.

(iii) Key Accounting Estimates and Judgement used in application of Accounting Policies

a. Income Taxes

Significant judgements are involved in determining the provision for Income Taxes, including amount expected to be paid / recovered for uncertain tax positions.

A-1 ACID LIMITED

b. Property, Plant and Equipment

Property, plant and equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful life and residual values of the Company's assets are determined by the Management at the time the asset is acquired and reviewed periodically, including at each financial year end. The life is based on historical experience with similar assets as well as anticipation of future events, which may impact their life such as changes in technology. (Refer Note 3A)

c. Impairment of Financial Assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation based on empirical evidence available without undue cost or effort, existing market conditions as well as forward looking estimates at the end of each reporting period.

d. Fair Value Measurement of Financial Instruments

When the fair value of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model. The inputs to these models are taken from observable markets, where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include consideration of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair values of financial instruments. (Refer Note 30 and 31)

(iii) Property, Plant and Equipment & Depreciation

- a) Property, plant and equipment are stated at historical cost (net of recoverable taxes) less accumulated depreciation and impairment losses, if any. Historical cost includes expenditure that is directly attributable to getting the asset ready for intended use. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The carrying amount of any component, if accounted for as a separate asset, is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

The gain or loss arising on the disposal or retirement of an property, plant and equipment is determined as the difference between net disposal proceeds and the carrying amount of the asset and is recognised as income or expenses in the Statement of Profit and Loss in the year of disposal.

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

b) Capital Work-in-Progress

Capital work in progress is stated at cost, comprising direct cost, related incidental expenses and attributable borrowing cost and net of accumulated impairment losses, if any.

c) Transition to Ind AS:

On transition to Ind AS, the company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1 April 2019 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment. Please refer to note 3A for details of the same.

d) Depreciation methods, estimated useful life and residual value:

Depreciation is provided for property, plant and equipment so as to expense the cost over their estimated useful lives based on evaluation. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Depreciation on assets has been provided on the Straight Line method based on the useful lives prescribed in Schedule II to the Companies Act. In respect of addition and sales of assets during the year, depreciation is provided on pro rata basis. The Company has kept the residual value @5% of original cost.

A-1 ACID LIMITED

The Estimated Useful Lives are mentioned below:

Furniture & Fixtures-10 years
Office Equipments-5 to 15 years
Tankers - 6 years
Storage Tanks- 15 years
Computers- 3 years
Vehicles- 8 years

(iv) Intangible Assets and Amortisation :

Goodwill was recognised on succession of promoter's proprietary business by A-1 Acid Private Limited in 2014. It is tested for impairment at end of each reporting period and not amortised.

On transition to Ind AS, the company has elected to continue with the carrying value of all of its property, plant and equipment including intangible assets, recognised as at 1 April 2019 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

(v) Impairment of non - financial assets

The Company reviews the carrying amount of its Property, Plant and Equipment, including Capital Work in progress of a "Cash Generating Unit" (CGU) at the end of each reporting period to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the Cash Generating Unit to which the asset belongs.

Recoverable Amount is determined:

- i) In case of individual asset, at higher of the fair value less cost to sell and value in use; and
- ii) In case of cash generating unit (a company of assets that generates identified, independent cash flows), at the higher of the cash generating unit's fair value less cost to sell and the value in use.

If the recoverable amount of an asset (or cash generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in the Statement of Profit and Loss.

(vi) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

1 Financial Assets

i. Initial recognition and measurement:

At initial recognition, the Company measures a financial asset (which are not measured at fair value) through profit or loss at its fair value plus or minus transaction costs that are directly attributable to the acquisition or issue of the financial asset.

ii. Subsequent Measurement:

For purposes of subsequent measurement, financial assets are classified in following categories:

- i) Financial assets measured at amortised cost;
- ii) Financial assets at fair value through profit or loss (FVTPL) and
- iii) Financial assets at fair value through other comprehensive income (FVOCI)

The Company classifies its financial assets in the above mentioned categories based on:

- a) The Company's business model for managing the financial assets, and
- b) The contractual cash flows characteristics of the financial asset.

i) Financial assets measured at amortised cost

A financial asset is measured at amortised cost if both of the following conditions are met:

- a) A financial asset is measured at amortised cost if the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the Contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

b) Financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

ii) Financial assets at fair value through profit or loss (FVTPL)

Financial assets are measured at fair value through profit and loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognized in profit or loss.

iii) Financial assets at fair value through other comprehensive income (FVOCI)

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business model whose objective is achieved by collecting both contractual cash flows that gives rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets.

A financial asset is measured at fair value through profit or loss unless it is measured at amortised cost or fair value through other comprehensive income. In addition, The Company may elect to designate a financial asset, which otherwise meets amortised cost or FVOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

Trade receivables, Advances, Security Deposits, Cash and Cash Equivalents etc. are classified for measurement at amortised cost.

iii. Derecognition:

The Company derecognizes a financial asset when contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On derecognition of a financial asset in its entirety, the difference between the assets's carrying amount and the sum of the consideration received and receivable is recognized in the Statement of Profit and Loss.

iv. Impairment of financial assets:

The Company assesses on a forward looking basis the expected credit losses associated with its financial assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115 only, the Company follows 'simplified approach' for recognition of impairment loss and always measures the loss allowance at an amount equal to lifetime expected credit losses.

Further, for the purpose of measuring lifetime expected credit loss allowance for trade receivables, the Company has used a practical expedient as permitted under Ind AS 109 i.e. expected credit loss allowance as computed based on historical credit loss experience.

2 Financial Liabilities

i. Initial recognition and measurement:

All financial liabilities are recognised initially at fair value and subsequently carried at amortised cost using the effective interest method.

The company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

A-1 ACID LIMITED

ii. Subsequent measurement:

The measurement of financial liabilities depends on their classification, as described below:

- i) Financial liabilities measured at amortised cost.
- ii) Financial liabilities at fair value through profit or loss.

i) Financial liabilities measured at amortised cost

Subsequently, all financial liabilities are measured at amortised cost. Any discount or premium on redemption/ settlement is recognised in the Statement of Profit and Loss as finance cost over the life of the liability using the effective interest method and adjusted to the liability figure disclosed in the Balance Sheet.

ii) Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ loss are not subsequently transferred to P&L. However, the company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit and loss.

iii. Derecognition

Financial liabilities are derecognised when the liability is extinguished, that is, when the contractual obligation is discharged or cancelled or expiry. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

(vii) Off-setting of financial instruments:

Financial assets and financial liabilities are offset and the net amount is reported in the standalone balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

(viii) Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions.

The Company categorizes assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed in their measurement which are described as follows:

- (a) Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- (b) Level 2 inputs are inputs that are observable, either directly or indirectly, other than quoted prices included within level 1 for the asset or liability.
- (c) Level 3 inputs are unobservable inputs for the asset or liability reflecting significant modifications to observable related market data or Company's assumptions about pricing by market participants.

(ix) Inventories

Inventories are valued at the lower of cost (on FIFO) and the net realizable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of sale, including other levies, transit insurance and receiving charges.

(x) Borrowing Cost

Borrowing costs include interest, amortization of ancillary costs incurred in connection with the arrangements of borrowings. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilized for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset up to the date of capitalization of such asset is added to the cost of the assets.

A-1 ACID LIMITED

(xi) Cash and Cash Equivalents

Cash and cash equivalents in the Balance Sheet comprise of cash at bank and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the Statement of Cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

(xii) Statement of Cashflows

Cash flows are reported using the indirect method, whereby profit / (loss) before tax is adjusted for the effects of transactions of non cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

(xiii) Revenue Recognition

Sales are accounted on transfer of significant risks and rewards of ownership to the buyer which generally coincides with dispatch of products to customers. are accounted net of VAT/GST, Discounts and Returns as applicable.

(xiv) Dividend

The Company recognises a liability for dividends to equity holders of the Company when the dividend is authorized and the dividend is no longer at the discretion of the Company. As per the corporate laws in India, dividend is authorized when it is approved by the shareholders. A corresponding amount is recognized directly in equity.

(xv) Employee Benefit

Defined Contribution Plan

The Company is not liable for ESIC or Provident Fund contribution as the employee base is less than that prescribed under Employees' Provident Fund and Miscellaneous Provisions Act, for mandatory applicability.

Defined Benefit Plan

The Company is not liable for Gratuity contribution as the employee base is less than that prescribed under The Gratuity Act,1972, for mandatory applicability.

(xvi) Earnings per Share

Basic earnings per share is calculated by dividing net profit after tax for the year attributable to Equity Shareholders of the company by the weighted average number of Equity Shares issued during the year. Diluted earnings per share is calculated by dividing net profit attributable to equity Shareholders (after adjustment for diluted earnings) by average number of weighted equity shares outstanding during the year.

(xvii) Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised only when there is a present obligation as a result of past events and when a reliable estimate of the amount of obligation can be made. Contingent liability is disclosed for (i) Possible obligation which will be confirmed only by future events not wholly within the control of the Company or (ii) Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made. Contingent assets are not recognised in the financial statements.

(xviii) Taxes on Income

a) Current Tax

Current tax is determined on income for the year chargeable to tax in accordance on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

A-1 ACID LIMITED

a) Deferred Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be utilized.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

(xix) Segment Reporting

The Company's management, consisting of Managing Director, the chief financial officer and the manager for corporate planning, monitors the operating results of the below business segments separately for the purpose of making decisions about resource allocation and performance assessment and accordingly, based on the principles for determination of segments given in Indian Accounting Standard 108 "Operating Segments" and in the opinion of management the Company is primarily engaged in the wholesale trading of acids and Chemicals. All other activities are ancillary to main business. Hence there is no separate reportable segment.

Further, Company is engaged in business in only Indian Markets, hence no separate geographical segment reportable.

(xx) Lease

Lease payments under an operating lease are recognized as expense in the statement of profit and loss, on a straight-line or other systematic basis over the lease term. Where the rentals are structured solely to increase in line with expected general inflation to compensate for the Lessor's expected inflationary cost increases, such increases are recognised in the year in which such liability accrues.

Tankers on Finance lease has been disclosed as Right to Use assets at Present Value of future lease payments in accordance with IND AS 116. Under IGAAP, these tankers were disclosed at total value inclusive of Terminal Value to be paid at end of lease term for purchasing asset. As management is not certain for opting the purchase option at end of lease period, under IND AS 116, the RTU asset has been recognised as mentioned, exclusive of Present Value of terminal Value.

The above fair value hierarchy explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost for which fair values are disclosed in the financial statements. To provide the indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments in to three levels prescribed is as under:

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs)

There were no transfers between the levels during the year

Valuation Process

The finance department of the Company includes a team that performs the valuations of financial assets and liabilities required for financial reporting purposes, including level 3 fair values.

The carrying amount of trade receivable, trade payable, cash and bank balances, short term loans and advances, statutory/receivable, short term borrowing, employee dues are considered to be the same as their fair value due to their short-term nature.

31 Financial Risk Management

The Company has exposure to the following risks arising from financial instruments:

- I Credit Risk
- II Liquid Risk
- III Market Risk

Risk Management Framework

The Company's risk management is governed by policies and approved by the board of directors. The company has policies for overall risk management, as well as policies covering specific areas, such as interest rate risk, credit risk and market risk.

The audit committee oversees how management monitors compliance with the company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

I Credit Risk

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. The Company maintain its cash and cash equivalents and bank deposits with banks having good reputation, good past track record and high quality credit rating and also reviews their credit-worthiness on an on-going basis. "The maximum exposure to credit risk at the reporting date is primarily from trade receivables. Credit risk has always been managed by the company through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the company grants credit terms in the normal course of business. "On account of the adoption of Ind AS 109, the company uses ECL model to assess the impairment loss or gain. The company uses a provision matrix to compute the ECL allowance for trade receivables and unbilled revenues. The provision matrix takes into account available external and internal credit risk factors and the company's experience for customers.

The Company reviews trade receivables on periodic basis and makes provision for doubtful debts if collection is doubtful. The Company also calculates the expected credit loss (ECL) for non-collection of receivables. The Company makes additional provision if the ECL amount is higher than the provision made for doubtful debts. In case the ECL amount is lower than the provision made for doubtful debts, the Company retains the provision made for doubtful debts without any adjustment.

The movement in allowances for doubtful accounts comprising provision for both non-collection of receivables and delay in collection is as follows:

(INR in Lacs)		
Movement in allowance for bad and doubtful debts	As at March 31,	As at March 31,
Balance at beginning of the year	133	118
Add: Allowance made during the year	11	15
Less: Reversal of allowance made during the year	21	-
Balance at end of the year	123	133

II Liquid Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Management regularly monitors the position of cash and cash equivalents vis-à-vis projections. Assessment of maturity profiles of financial assets and liabilities including debt financing plans and maintenance of balance sheet liquidity ratios are considered while reviewing the liquidity position.

III Market Risk

Market risk is the risk that the fair value or future cash flow of a financial instrument will fluctuate because of changes in market factors. Market risk comprises three type of risks:

a) Currency Risk

As company has neither incurred any foreign currency transaction during the year nor it has any outstanding receivable or payable in foreign currency, it doesnot assume any currency risk.

b) Interest Risk

Interest rate risk is the risk that the fair value of future cash flows of the financial instruments will fluctuate because of changes in market interest rates. In order to optimize the Company's position with regards to interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

According to the Company interest rate risk exposure is only for floating rate borrowings. For floating rate liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

A-1 ACID LIMITED

35 The novel coronavirus (COVID-19) pandemic is spreading around the globe including India rapidly and causing significant disturbance and slowdown of economic activity. The Company has made detailed assessment of its liquidity position for the next year and the recoverability of the Company's assets such as Trade receivables, Inventories, Advances, etc as at the Balance Sheet date, using reasonably available information, estimates and judgements. The Company, as at the date of approval of these financial results has used internal and external sources on the expected future performance of the Company and has determined that none of these balances requires a material adjustment to their carrying value. The Company believes that impact of COVID-19 on the Company's financial statement is not material. The impact of COVID-19 may be different from that estimated at the date of approval of these financial results and the Company will continue to closely monitor the developments.

36 Approval of Standalone Financial Statements

The Standalone financial statements are approved for issue by Audit Committee and Board of Directors at their meetings held on June 9, 2021
